Northern Eagle Unit Holders Proud to Support the Communities in Which We All Live!

Banff, Alberta/April 13, 2019 – On behalf of Northern Eagle Unit Holders, Dixie Thompson, Partnership Board Chair, thanked Lead Investment Advisor *New West Opportunities Inc.* for the firm’s ongoing commitment to supporting and giving back to the communities where we live, work and raise our families.

Ms. Thompson congratulated Mr. Shane Pospisil, Senior Partner - Western Canada, on his recent appointment to the *Families Canada* Board and Mr. Tomek Wala, Senior Associate - Strategic Communications, Branding and Social Media, on his recent appointment to the *Edmonton Down Syndrome Society* Board.

“New West has demonstrated that it not only shares the Partnership’s broader Corporate Social Responsibility goals, but that its leadership team is fully committed to the overriding goal of delivering real and meaningful results across all key performance metrics – social, environmental and financial,” Ms. Thompson stated. “The volunteer time that the New West Partners and Senior Associates contribute to some truly outstanding and highly-respected non-profit community service organizations is not only impressive, but truly commendable.”

Tanya-Mae Brown, *New West Opportunities Inc.* Vice-Chair and Northern Eagle Investor Relations Liaison, added “As Shane and Tomek have already let me know, *Families Canada* and the *Edmonton Down Syndrome Society* are both looking to broaden their partnerships with like-minded private donors. The goal, as always, to expand in-demand and critically-important programming and services to those in need.”

“It’s all about helping others achieve their full potential and in giving back to the communities in which we all live,” Ms. Brown reiterated. “To Northern Eagle’s many Canadian Unit Holders, we look forward to tomorrow’s ‘Connecting You to the Cause’ session and to learning more about these community service organizations from Shane and Tomek. Congratulations team!”
