## **Unit Holders Information Circular & News Release**

### **Northern Eagle Appoints Investment Partnership Funds Manager**

**San Jose, California/March 25, 2019** – Effective May 1, 2019, New West Opportunities Inc. ('New West') will assume full investment management and fiduciary oversight of the following Northern Eagle Pooled Investment Partnership Funds:

- ❖ Northern Eagle Investment Trust II (Agriculture and Agri-Foods);
- ❖ Northern Eagle Investment Trust III (Food, Accommodation and Recreation);
- ❖ Northern Eagle Investment Trust IV (Oil and Gas Services and Supply); and
- ❖ Northern Eagle Investment Trust VI (Renewables and Biofuels).

Northern Eagle's Investment Partnership Board also announced that Mr. Shane Pospisil, New West's Senior Partner - Western North America, will be joining the Partnership Board as a second Vice-Chair, a decision approved at today's Quarterly Unit Holders Meeting.

"I am pleased that New West will be working even more closely with our investment advisory team in delivering optimal performance and value to Unit Holders," said Dixie Thompson, Partnership Board Chair.

Ms. Thompson added, "New West has certainly demonstrated that it shares the Partnership's broader Corporate Social Responsibility goals and the overriding objective of delivering real and meaningful results across all key performance metrics – social, environmental and financial. Welcome to Northern Eagle and, Mr. Pospisil, a special welcome to the Partnership Board. We look forward to the innovative, performance-driven approach and energy we know you will contribute to the Board's strategic decision-making."

James Lernihan III, Sunrise Global Investment Trust Chair and Northern Eagle Investment Partnership Board Vice-Chair stated: "New West's commitment to innovation, continuous improvement and – most importantly – to delivering on the bottom line is reflective of the strategic approach needed in 2019/2020 and beyond. I know our Unit Holders and investment partners will all join Dixie and I in congratulating New West on its appointment and in welcoming the New West advisors, analysts and back office staff who will soon be relocating to our integrated Silicon Valley campus."
